Earring Making with Joan Lloyd

STYLE WITH A PURPOSE! On January 28 our members were treated to an earring making class with Instructor Joan Lloyd. For every beautiful pair of earrings they made to keep, they were able to make and donate a pair to women and girls living in domestic violence shelters in Westchester. We thank Joan for all her amazing work and dedication and for giving lots of deserving women a reason to smile.

We look forward to having Joan back at the BSC this Spring!

On January 30, BSC members participated in Arts & Crafts with Deb Ferrara and made beautiful coasters. The next Arts & Crafts with Deb will be painting a beautiful winter scene on Feb 27. The March 27 craft is TBD.

Thank you to Paula Greco McTigue for planning the event and Sally McNally for choosing the restaurant.

FUN FACTS Did you know?

FUN FACTS ABOUT A DECK OF CARDS

1. Card playing dates back to the imperial Tang dynasty of China which ruled from 618 to 907 AD.
2. The 52 cards in a deck represent 52 weeks in a year. The four suits (spades, hearts, diamonds, and clubs) represent the four seasons. There are 13 cards for each suit, which represent the 13 weeks in each season. The four suits of cards multiplied by 12 equals the number 52.
3. The U.S. Playing Card Company (and the makers of Bicycle brand playing cards) is the largest playing card maker in the world.
4. Sin City uses approximately 27 million decks yearly because they never reuse the same deck.
5. The four suits in a standard deck of cards are hearts, clubs, diamonds, and spades. Each of them contain 13 cards: Ace through 10, and 3 face cards. The two jokers bring the deck to 54 cards.

December 28 is National Card Playing Day.
